Passport or Passport Card: All adults need one or the other to get back into the USA. The Passport Card is only \$55 and a Passport is \$155, and both are good for 10 years. Minors need a Birth Certificate. **NOTE:** It takes about 2 weeks to obtain a Passport Card. Our experience has shown that once your application process has begun, you are then in "the system" and this is acceptable at the US border, but it is important to have some kind of document of proof that you have applied. Mexican Auto Insurance: Mexican law requires that you have Mexican liability insurance for your vehicle. You can either obtain ahead of time on-line or through your personal auto insurance agent, or purchase on the way down to Mexico before crossing the border.
